You may have legal rights to prevent the Marshal's Sale and the loss of your property. In order to Telephone: exercise those rights, prompt action on your part is necessary. A lawyer may be able to help you.

You may have the right to prevent or delay the Marshal's Sale by filing, before the sale occurs, a Motion to Open or Strike the Judgment or a Petition to Stay the Execution.

If the Judgment was entered because you did not file with the Court a defense or objection you might have had within sixty (60) days after a Notice of Lawsuit and Request for Waiver of Service was sent to you or within twenty (20) days after personal service of the Complaint, you may have a right to have the Judgment opened if you promptly file a Motion with the Court alleging a valid defense and a reasonable excuse for failing to file the defense on time. If the Judgment is opened, the Sale would ordinarily be delayed pending a trial of the issue of whether the Plaintiff has a valid claim entitling it to foreclose upon or sell the real property.

You may also have the right to have the Judgment stricken if there has not been valid service of the Complaint or if the Judgment was entered before sixty (60) days after service of Notice Lawsuit and Request for Waiver of Service of Summons was sent to you or within twenty (20) days after personal service of the Complaint or in certain other events. To exercise this right, you would have to file a Motion to Strike the Judgment.

If Judgment was entered against you by confession, you may not have certain of the rights set forth above, but you still may have the right to move to have the Confessed Judgment opened or stricken on proper grounds.

You may also have the right to Petition the Court to stay or delay the execution and Marshal's Sale if you can show a defect in the Writ of Execution or service or demonstrate any other legal or equitable right.

You may also have the right to have the Marshal's Sale set aside if the property is sold for a grossly inadequate price or if there are defects in the Marshal's Sale. To exercise this right, you should file a Petition with the Court after the sale and before the Marshal has delivered his Deed to the property. The Marshal will deliver the Deed if no Petition to Set Aside the Sale is filed within 10 (ten) days from the date when the Schedule of Distribution is filed in the office of the Marshal.

Respectfully submitted,
